

# Creative Colour House Challenge!

Dear Parents and Caregivers,

Chandler Park Primary School is having their first Remote Learning House Challenge!

All students from Prep to Year 6 are invited to participate in this challenge.

Each student who participates in the challenge and submits a photo of their work on Seesaw, gets a point for their house!

**What do students need to do?**

Create or make something in their house colour (Luxford is blue, Hutton is red, Keys is yellow and Blackmore is green).

**Here are some examples of what students could make at home:**

- make something out of playdoh
- paint a picture or create a papier-mache sculpture
- make a collage
- knit something
- build lego in their house colour

Can you think of anything else? You can be as creative as your imagination lets you be!

**\*Photos will be submitted on Seesaw and then printed and used to make a collage of CPPS- All photos are due in Friday 11<sup>th</sup> September**

**Weekly House meetings will begin next Wednesday 26<sup>th</sup> August at 2.30pm. The webex links are on the school website in the online learning drop down menu**

<https://chandlerparkps.vic.edu.au/>

**We can't wait to see all students working together with their fellow team mates to participate in some fun House activities every Wednesday!**
