

Do You Want Fries With That?

Now that the cold weather has set in, our tummies are letting us know that something hot and appetising would be lovely to eat.

What about some **steaming hot chips** with **chicken flavoured salt** or a **generous squirt of tomato sauce**? Yummmmmmm!

Are you interested? Of course you are. I am!

Well here is your chance to dine on some crispy, tasty and mouth-watering hot chips for lunch when we get back to school.

For the week beginning Monday 31st August through to Friday 4th September:

- *Simply submit three pieces of work per day to earn a point for your class. (Manga High and Literacy Planet included).*
- *On Wellbeing Wednesday, submit one activity you have completed, to earn a point.*

The class that earns the most points by 4:00 pm Friday 4th September will be the winning class. They will receive a hot chip COVID friendly lunch on a date to be decided when we return to school.

BE IN IT TO WIN IT!

If you don't like hot chips, don't worry because Mr McLean will eat them for you.

Go on. Give Seesaw a meltdown.

Post Three a day and one on
Wednesday!

Start practising now!

From your chip loving Grade 5/6 teachers.
